

ONE MORNING THIS CAT WAS LIVING THE GOOD LIFE AS NORMAL CATS DO, USING HIS CLAWS TO EXERCISE, STRETCH, GROOM, GRAB TOYS AND RAKE LITTER

THEN HIS HUMAN SHOVED HIM IN A CARRIER AND LEFT HIM AT HIS DOCTOR'S OFFICE

JUST HOURS LATER HE WOKE UP WITH HIS PAWS THROBBING AND BLOODY BENEATH BANDAGES

HIS ESSENTIAL FINGER ENDS HAD GONE INTO THE TRASH

HE SPENT THAT NIGHT ALL ALONE IN HIS CAGE, JUST HIM AND HIS NEWLY MUTILATED FINGERS

HAD THIS CAT BEEN FOUND ON THE STREETS WITH BODY PARTS SEVERED, THE PERSON GUILTY OF THE CRIME WOULD BE CONVICTED FOR ANIMAL CRUELTY

THIS IS A TRUE STORY WHICH HAPPENS TO CATS EVERY DAY AND FOR MANY OF THEM IS ONLY THE BEGINNING OF A LIFETIME OF PAIN AND PROBLEMS
